Work History

07/23 - 01/24 | Picker/Packer, *Staffmark Staffing Solutions* | Forest Park, GA

As a Picker/Packer, I was responsible for pulling and shipping orders to customers in a timely manner, printing packing lists and shipping labels, using RF scanner to complete picks while maintaining a clean and safe work environment.

07/22—06/23 | Performance Lead, *SIMOS Insource Solutions* | Forest Park, GA

As a Performance Lead, I was responsible for supporting company operations by ensuring production requirements are supported and satisfied. I assist with documentation of work being received, processed, and sent out. I manage the production rate of the associates and assist to resolve any problems that may delay our turnaround.

07/19—04/22 | Field Operations Specialist, *Spin Electric Scooters* | Tallahassee, FL

As a Field Op. Specialist I was responsible for supporting operations and logistics with fleet deployment, staging, and collection of scooters. Additionally, I drove and operated a company vehicle to relocate scooters from low to high demand areas within the market. I helped establish new deployment zones to increase rideshare and have implemented ideas for app development and customer experience.

08/16—12/23 | Owner, *VisionariCustoms* | Tallahassee, FL / Ellenwood, GA

I created and operated a seasonal online apparel shop catered specifically to members, alumni, and supporters of Florida A&M University's Marching Band program to generate funds. Operations included t-shirt and web design, marketing, inventory tracking, book keeping, shipping and handling, and customer communication. I generated over \$15k in profit. In 2020, I changed the name to VisionariCustoms, expanding my market to the general public and operating year round.

Education
